India

Dear Sir,

Extension of Registration Status for the Overseas Manufacturing Plant under the Import Inspection Scheme of the Sri Lanka Standards Institution – “GTC GOOD LUCK” Brand Galvanized Steel Pipes

We are pleased to inform you that the Sri Lanka Standards Institution has decided to extend the registration status of the following manufacturing plant where “GTC GOOD LUCK” brand galvanized steel pipes are manufactured. This decision is based on the performance of consignments exported to Sri Lanka during the period from 2025-07-07 to 2026-07-06.

Goodluck Metallics,
Survey No. 495-502, Village Sikara
Taluka Bhachau (Kutch), Gujarat 370140
India

Product – Hot Dipped Galvanized Steel Pipes
Sizes - OD 15 mm to 100 mm for LI, L series and OD 15 mm to 150 mm for M and H series

The registration status is **valid from 2026-07-07 to 2027-07-06**, subject to the following conditions:

1. The registration status will be renewed annually, subject to the settlement of relevant payments and satisfactory past performance.
2. Every shipment of “GTC GOOD LUCK” brand galvanized steel pipes shall be tested against the SLS 829:2009 specifications for galvanized steel pipes and sockets, and shall

be supported with quality certificates from the manufacturer for the relevant sizes/batches, which shall be traceable to the consignment.

3. Information on the manufacturing plant and brand name shall be specified in the Invoice, Packing List, as well as in the Quality Certificate (QC).
4. Verification sampling will be carried out by SLSI on a random basis to ensure compliance of the products with the requirements of the Sri Lanka Standard Specifications.
5. The status of the ISO 9001 certificate shall be updated upon expiry and communicated to SLSI.
6. If the same product/brand is manufactured at another factory (other than the above-mentioned plant address) and exported to Sri Lanka, it shall be immediately brought to the notice of the Sri Lanka Standards Institution.
7. Markings shall comply with the SLS 829:2009 specifications for galvanized steel pipes and sockets.

Thank you,
Yours faithfully,

L.W Gunawardana
Director
Quality Assurance Division
Sri Lanka Standards Institution
